

BSB41412: Certificate IV in Work Health & Safety

DESCRIPTION

This qualification is suitable for people working in a work health and safety (WHS) role who may or may not work under supervision. They may provide leadership and guidance to others and have some limited responsibility for the output of others.

The qualification reflects the role of workers who apply a broad knowledge base and well-developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.
